BO1981 MODEL 1911 AND MODEL 1911A1 MI

Written by Joe Poyer. Nearly five years in preparation, this newest book in the "For Collectors Only" includes 82 tables detailing parts and markings and 672 photos and drawings. An eight page color insert includes rarely seen examples of the Model 1911 and Model 1911A1. It examines John Brownings most famous pistol from barrel to bushing to hammer to lanyard loop on a part by part basis. All military and commercial markings are listed by date or serial number range of use. Serial numbers are listed in individual tables both by military and the individual commercial models, and by other manufacturers. A complete listing of all US Military holster manufacturers is included. Soft cover, 5 1/2 X 8 1/2, 522 pages.
