SA1200 ARMY/NAVY PRESENTATION CASE

Beautifully crafted wood cases feature hand fitted details including mortised lock with cast key and golden tassel and concealed brass hinges. The interiors of the cases are completely lined with rich deep red plush velvet. Each case is partitioned for revolver, flask, bullet mould, balls and cap tin. The lids of the solid wooden cases have a beveled edge while the glass top cases have a squared wooden edge of about 1 1/8" wide. All are excellently finished. 15" X 7 5/8" X 2 1/2" tall.
