FR0157 Dixie Pedersoli 1777 Charleville Musket

Pedersoli

An exact copy of the famous French flintlock musket modified and employed during the 9th year of the French Revolutions. Different from the 1777 Charleville (our FR0930) in that the "Corrige An IX" has 3 barrel bands held in place with retaining springs instead of screws. Frizzen is a slightly different shape and lockplate is marked differently. This is a .69 caliber fullstock. The barrel is armory bright and tapered round. Features a steel furniture left bright, lockplate marked. Manufactured by Pedersoli/Italy. **REQUIRES AN ADDITIONAL \$16.00 OVERSIZE CHARGE.**
