FK3355 Dixie Deluxe Cub .36 Flint Kit

Pedersoli

This is in a kit form. The barrel has been blued to prevent rust (not finished). Skill level 1 which is for beginners. Stock is 95% inleted. Will require some minor stock shaping & final fitting of metal parts, final sanding & finish. My require some holes to be drilled. The metal may require some minor polishing. May require bluing or browning. This kit however does have the basic features as the FR3135 completed rifle.
